

FROM THE PRINCIPAL

As we progress through the second term of college, I am reminded just how short these two important and enriching years are for students before they move on to the next stage in their lives. We have recently congratulated achievers at our Prize Night celebrations and now we are welcoming the parents and students enrolling in 2019 to the Parent Information Evenings on Wednesday 13 and Thursday 14 June. We also look forward to welcoming new students for Orientation Day on Monday 18 June, where they will sample classes, meet the staff and start choosing their options for academic and vocational study.

Students have now received their first substantial report for their subjects. For some students the comments and interim ratings from their teachers will be a confirmation that they are on track to successful attainment. For some, it will be an opportunity to reflect on their progress and set some attainable goals now that will support their career aspirations. We warmly invite parents and carers to speak with teachers about their son or daughter's progress this Tuesday 29 May.

Dr Dianne Purnell

GETTING THE MOST OUT OF LIFE

Students are looking forward to two big college-wide events this term. The annual Careers Expo on Wednesday 30 May will feature stalls from a wide range of industries, UTAS, TasTAFE, a range of apprenticeship and traineeship providers and gap-year options, with representatives available to answer students' questions.

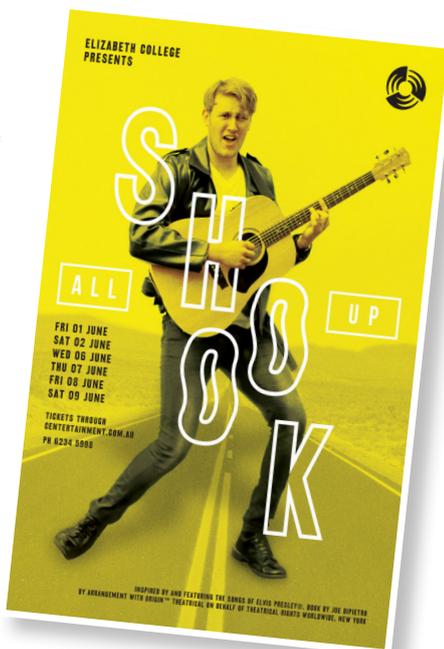

At the inaugural Wellness Expo on Wednesday 6 June, students will discover the many avenues for support offered by community groups and agencies outside the college - whether they are needed now or in the future.

Don't miss out on tickets to the 2019 College Musical, *All Shook Up!*

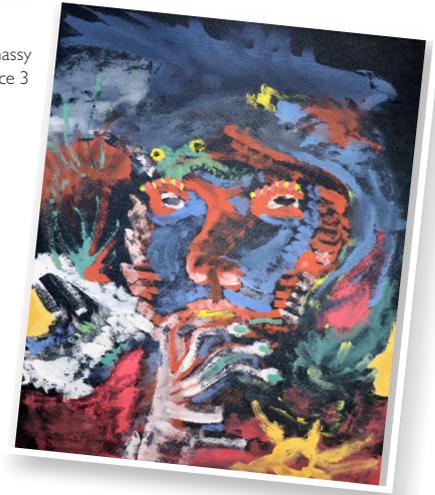

The rock and roll extravaganza is brought to you by the largest ensemble of Performing Arts students to date. Drama, Stage Band, Music Technologies, Theatre Tech and our scholarship winners from Ogilvie High School will take you on a trip down memory lane to the decade when Elvis was king.

Tickets are selling fast. Book through Centertainment.

Friday 1 - Monday 4 June & Wednesday 6 - Saturday 9 June
