

16th ANNUAL NATIONAL SCIENCE WEEK 2015
ELIZABETH COLLEGE

Wednesday 10 August – Friday 19 August 2016

“Keep your Pulse on Science”

Attention: The Principal and the Teacher in Charge of Science

AN INVITATION FROM
ELIZABETH COLLEGE
256 Elizabeth Street, Hobart

The attached activities are provided by teachers and students at Elizabeth College, to celebrate National Science Week. We are excited that this is the 16th year that Science is being celebrated at Elizabeth College.

As part of this week, students from your school are invited to participate in some science activities presented by several learning areas, and a poster competition. The theme for the poster competition is Keep your Pulse on Science. An entry form is included in this email.

BOOKING INFORMATION

For bookings please send the completed booking form to Stephanie Kelleher at Elizabeth College by email stephanie.r.kelleher@education.tas.gov.au. **There will be no telephone bookings.**

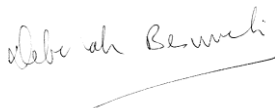

Please note that each class group is limited to one (1) activity booking, and that each school is initially restricted to three (3) bookings in total. This is to ensure that all schools have the opportunity to attend.

You will be able to check the availability of activities by logging onto the website <http://www.elizabethcollege.tas.edu.au/>. This page will be updated at the end of each day.

Prior to your visit you will be sent an email confirming your booking, and you will be requested to forward a class list to the college for the preparation of certificates, and name tags. This list needs to be sent in Excel format. **The class list should also indicate any students who do not have permission to have their photograph taken.**

You are requested to arrive at the Main Office in Elizabeth Street **5 minutes before** your scheduled activity. Students should wear closed in shoes during their visit.

Our students and teachers look forward to your company.

Dr Deborah Beswick
Manager
Mathematics & Science

Dr Dianne Purnell
Principal
