- **Metal Lockers: Small (size):**

- **Wooden Lockers: Large (size): cost \$21.00**
A combination lock is provided
- **Wooden Lockers: Extra-large (size): cost \$32.00**
A combination lock is provided

If you would like to **hire** one of the **wooden lockers** please follow one of the options below:

- Your Year level in 2019

- The preferred location of your locker (if known)

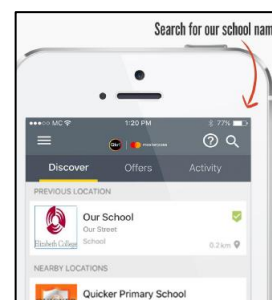

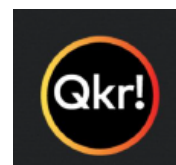

Parents/carers will be invoiced in Term 1.

Please come to the office on the first day of school and you will be issued with details of the location of the locker and lock combination. A \$10 refund will be processed when students return the combination lock, in good order, to the Office at the end of the year.

Please note:

- If you do not send an email or book and pay via QKR! you may still be able to get a wooden locker by going to the College Office in the first week of College.
- Due to the limited number of wooden lockers we cannot guarantee that everyone who wants one will get one, they will be allocated in order of first to email/pay gets first preference.
- If the location of the locker provided for you is not where you would like it to be you will need to **organise your own swap once school begins**. You must advise the Office of any swaps as this will affect your refund at the end of the year.
